The purpose of this form is to enable the University to make an assessment of the genuineness of an applicant's intention to complete their studies at Curtin University. Each question is targeting a specific area that Curtin University will base its assessment on, and the DHA may be interested in during your visa application. To facilitate our assessment, please complete and return this form to the University. The University must be satisfied that you are a genuine student before giving you an offer.

Section 7: Ability to afford to live and study at Curtin University in Perth

In order to be granted an Australian student visa, you must have access to sufficient funds to meet your tuition and living costs for the entire duration of your studies. As international students are only allowed to work 40 hours per fortnight and getting part time work is not guaranteed, you will not be able to rely on this to cover your tuition and living expenses. Curtin University will not consider inability to raise your tuition fees and living expenses as grounds for release from the University

For more information about tuition and living costs in Australia please see:

- 1. Curtin University Student Fees information http://futurestudents.curtin.edu.au/fees-charges/;
- 2. Curtin University advice on budgeting http://international.curtin.edu.au/pre-departure/budget/; and
- $3. \ Australian \ Government \ information \ on \ living \ costs \ \ \underline{http://www.studyinaustralia.gov.au/global/live-in-australia/living-costs}$
- a. What do you expect your total expenses to be for the duration of your stay in Australia (including the costs for any dependants if applicable)? Please base your calculations on the information provided by the Dept. of Home Affairs at: https://www.homeaffairs.gov.au/trav/stud/more/student-visa-living-costs-and-evidence-of-funds

Living costs are a minimum amount required for visa purposes. Living costs vary depending on where you will be living and studying. It is your responsibility to determine and cover your costs whilst living and studying in Australia. You must not rely on work to support yourself in Australia as a student.

b. How will you pay for your tuition, living expenses and travel arrangements to Australia? Please provide details below. Please note that in some cases you may be required to provide bank statements/loan documents. If you are a sponsored student, please provide financial guarantee from your sponsor.
