The screenshot shows the 'Study Planner' interface. At the top, it says 'Choose 1 Specialisation' with a help icon and 'No more can be selected'. Below this, a list of specialisations is shown. The first one is 'SPUC-BSLAW - Business Law and Policy Specialisation', which is expanded to show a list of units: 'BLAW2012 - Applied Contract Law', 'BLAW1006 - Introduction to Business Law', and two 'Choose an Option' entries. Each unit has 'More Details' and 'Availabilities' links. At the bottom of the list, there is a 'Choose specialisation' section with a dropdown menu showing 'SPUC-ACCTG - Accounting for Business Decisions Specialisation'. Below the dropdown, there are three buttons: 'Save changes on Study Planner' (highlighted with a red box), 'Choose a different Study Plan', and 'Discard changes and return to Study Plan'.

The unit will now appear, ready for enrolment (you may need to scroll down to see it). If you wish to change the specialisation, please contact Enrolment Office.

You are not allowed to change specialisation if you have enrolled in unit from other specialisation.
