

## HOW TO ENROL IN OPTIONAL & ELECTIVE UNIT

### Enrolling in Optional or Elective Units

1. **Optional units** are indicated by an O icon:  and **Elective units** are indicated by an E icon: 
2. In order to enrol in an optional/elective unit, you will need to add your chosen optional/elective unit to the Study Plan. To do this, scroll down to the Option/Elective line in your study plan (you may have more than one) and click **Choose**.

More Details Group Details

- If you have more than one optional/elective unit to enrol in (in a semester), it is easiest to add all optional/elective units to the study plan, and then enrol in them all together.
- Now that you have added your optional/elective to your study plan, you must now enrol.
