Miri City

Miri is regarded as Sarawak's most cosmopolitan city with a population of more than 355,000 comprising the entire spectrum of the state's over 20 ethnic groups, as well as a large expatriate community.

Nature

A major tourism gateway and base to explore Sarawak's most spectacular natural attractions such as beaches, rainforests and national parks. Sarawak is renowned for its natural beauty and attractions, which include the famous Mulu Caves, a UNESCO World Heritage Site.

We are also a popular diving destination due to the abundance of spectacular patch reefs.

Weather

Malaysia is an equatorial country, with fairly uniform temperatures throughout the year. It is mostly summer all-year round and only a short rainy season in the latter months. The average daily temperatures range from 23°C - 32°C.

Dining

In Miri, we have a diversity of cuisine to satisfy your taste buds. It varies from hawker food, local cuisine and also international franchises.

History

Miri is often referred to as the 'Oil Town of Malaysia' as it is home to the country's over 100-year-old petroleum industry, as well as Sarawak's 'Resort City' given its scenic seaside location and being the gateway city to the area's world renowned natural attractions.

Travel

We have direct air links to regional hubs such as Kuala Lumpur, Singapore, Johor Bahru, Kuching and Kota Kinabalu. We are also a 2-hour drive away from our neighbouring country, Brunei.

Accommodation

A range of stays will help you to experience more of Miri, which includes 5-star hotels, boutique inns and also localised homestays. This will make your experience in Miri quite exceptional.

Leisure

Leisure in Miri consists of a splendid waterfront, marina, shopping malls, two 18-hole golf courses, and sports recreation such as bowling and archery. Miri is also home to two of Malaysia's premier annual international music festivals, Borneo Jazz and Miri Country Music Festival.

Cultural Diversity

Known as Bumi Kenyalang or 'Land of the Hornbills', Sarawak is Malaysia's largest state and home to some 27 ethnic groups making up a population of close to 2 million; each with its own distinct language, culture and lifestyle.

Life at Curtin Malaysia

Experience an exciting and fulfilling university life with so much to do and see.

Accommodation

Safe, convenient and affordable, close to area shops, services and public amenities.

Accommodation to suit your needs

Need a place to stay? Curtin Malaysia can help you find accommodation either on or off-campus. Safe, comfortable and modern accommodation is available to suit a range of budgets. Curtin Malaysia currently has four student accommodation options: Kingfisher 1-9 (on-campus) and Curtin Water II (in the immediate neighbourhood). Alternatively, Housing Services can assist you to arrange private accommodation close to the campus. Rental will vary depending on the type of accommodation and location.

On-campus accommodation

Our on-campus accommodation is a popular way to stay close to the campus and reap all the benefits. Due to high demand, we recommend you apply for student housing as soon as you apply to study at Curtin Malaysia.

Want more options?

Living off-campus may be the answer. A range of accommodation options are available in the suburbs surrounding the Curtin Malaysia campus. You'll benefit from close proximity to public amenities and shopping, with rental prices varying depending on the type and location of the accommodation you choose.

Courses

Our degrees provide opportunities to choose from a range of subjects, giving you the freedom to study towards your dream career and pursue personal study interests at the same time.

Specialisations

Some courses allow you to choose a specialisation - a series of four units in an area that's different but related to the rest of your course. A specialisation doesn't extend the course duration.

Electives

Electives are "free choice" units that some courses have built into their structure. They allow you to study a unit from a different discipline to earn credit towards your degree.

For example, you may choose to study a second language to add another dimension to your studies, and potentially boost your employability.

You need to meet prerequisites for any elective units you choose, and some units are restricted to specific courses.

Communications and Creative Industries

If you're a creative person who wants to make your mark on the world, our Communications course allows you to specialise in a range of fields from screen arts to journalism.

Built Environment

Can you see the detail and beauty in structures and buildings, both inside and out? Our construction courses are about creating quality environments in which people live, work and play.

Health Sciences

Our health degrees will give you plenty of hands-on experience in fieldwork placements, our research centres and groups, and in our clinics.

Information Technology

Learn how to program computers, administer networks and design software and multimedia, study computer games and learn how to develop them, or use artificial intelligence in real life situations.

Engineering and science

Develop your problem-solving skills and learn to design, construct and test machines, systems, structures, materials and processes. As a Curtin student, you'll have access to outstanding, purpose-built facilities.

Business

Launch your career with a business degree from Curtin. Our courses are practical and applied and benefit from direct input from industry leaders.

Student visa / pass application policy and procedure

All international students are required to obtain a Student Pass (Visa) for the purpose to study in Malaysia. Students are not permitted to travel to Malaysia prior to the approval. The Immigration Department of Malaysia issues and regulates the passes. Curtin University Malaysia does not have the authority to approve or reject your student pass application.

Before coming to campus

Visa application must be applied directly to Education Malaysia Global Services (EMGS). The application process can take up from six (6) to eight (8) weeks, so you are advised to submit your application as early as possible. To find out more, visit visa.educationmalaysia.gov.my

Documents (softcopy) required

- Letter of Offer
- Passport-size photographs (3.5cm x 4.5cm) – white background
- All pages of your passport(s) - You must ensure your passport has a validity of eighteen (18) months and more
- Latest academic transcripts and certificates
- Completed Health Declaration Form
- Completed Pre-Arrival Medical Check-Up in your home country
- Select either one of the Medical Insurances offered by EMGS.

Once you received your Electronic Visa Approval Letter (eVAL), kindly proceed to the Malaysian Embassy stated in the letter for application of Single-Entry Visa (SEV) and travel to Malaysia. For more information, visit visa.educationmalaysia.gov.my/guidelines/sev-required-countries

Recently, Immigration Department of Malaysia has introduced Electronic Visa (eVISA) for some countries. This means you can apply SEV via online. Please refer to the nearest Malaysian Embassy/High Commissions/Consulate office to get more information. Remember that eVAL and SEV are not the Student Pass (Visa). To find out more, visit kln.gov.my/web/guest/malaysian-mission

Coming to Malaysia

Plan your travels to enter Malaysia at least one (1) month before your eVAL expires. Please ensure that you have sufficient funds to cover the cost of living in Malaysia for approximately twelve (12) weeks.

Present all required documents to the Immigration Department Counter at the airport and they will issue you with an entry Special Pass stamp. Note that the Special Pass is only valid between 14 to 30 days.

If you receive a Social Pass stamp, please return to the Immigration Department Counter and request for an amendment of the stamp. The Immigration Department of Malaysia will not issue you with a Student Pass sticker if a Social Pass stamp is issued.

Student Pass endorsement process by the Immigration Department of Malaysia takes between two (2) to four (4) weeks. Once your passport has been endorsed (with the issuance of a student pass sticker), International Student Office (ISO) will contact you via email for collection.

You are advised not to make any travel plans until your passport has been returned with your student pass endorsement sticker.

3. Apply

First, **get electronic copies of your qualifications and English language proficiency documents**. The following documents will be needed during your application:

- a. Qualification documents (transcript and award)
- b. English qualification documents
- c. Identification document (Passport).

Applying through an agent:

You may submit an application through a registered Curtin agent. To find an agent in your country, see curtin.edu.my/study/representatives.

Applying online:

If you'd rather not apply through an agent, find your course at curtin.edu.my/study and click **APPLY NOW**. From here, you can begin the online application process. Make sure your documents are ready to upload.

Successful applicants will receive an offer package, which explains how to accept Curtin's offer and enrol. Once your enrolment is complete, you'll receive your Confirmation of Enrolment.
